This diagram illustrates the assembly of a vehicle's rear suspension and exhaust system. Key components shown include the rear axle assembly (22), shock absorbers (30), coil springs (33), and various mounting brackets and bolts (e.g., 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 23, 24, 25, 26, 27, 28, 29, 31, 32, 34, 35, 36, 37, 38, 39). The exhaust system components, including the muffler (31) and tailpipe (39), are also depicted. The diagram uses dashed lines to indicate the assembly sequence and alignment of the parts.

Diagram illustrating the components and assembly steps for a vehicle interior trim panel (likely a door panel or dashboard area). The diagram shows the main trim panel (17) and various sub-components and fasteners:

- 17**: Main trim panel.
- 18, 19**: Screws used for mounting the panel.
- 20, 43**: Fasteners or clips.
- 37**: A rectangular component, possibly a speaker or control unit.
- 38, 39, 40**: Components related to the lower edge of the panel.
- 35, 36**: Structural elements or clips.
- 41**: A small component, possibly a switch or indicator.
- 44**: A small component, possibly a clip or fastener.
- 45**: A small component, possibly a clip or fastener.
- 48**: A small component, possibly a clip or fastener.
- 23, 22, 25**: Components related to the upper edge of the panel.
- 23, 24**: Components related to the upper edge of the panel.
