WIRING MANUAL

The diagrams are organized into three rows, each representing a different vehicle configuration:

- Top Row:**
 - Left Column:** Speaker wiring for Right Rear, Left Rear, Left Front, and Right Front speakers. Includes a radio unit with various inputs and outputs.
 - Right Column:** A 4WD indicator light, a 4WD relay, a 4WD shift lever light, and a 4WD indicator light.
- Middle Row:**
 - Left Column:** A low vacuum switch, a 4WD indicator light, a 4WD relay, a 4WD shift lever light, and a 4WD indicator light.
 - Right Column:** A 4WD indicator light, a 4WD relay, a 4WD shift lever light, and a 4WD indicator light.
- Bottom Row:**
 - Left Column:** A 4WD indicator light, a 4WD relay, a 4WD shift lever light, and a 4WD indicator light.
 - Right Column:** A 4WD indicator light, a 4WD relay, a 4WD shift lever light, and a 4WD indicator light.

Each diagram includes wire color codes (e.g., BLU, GRN, YEL, TAN, GRY, BRN, WHI, BLK) and component labels (e.g., SPEAKER, RADIO, 4WD IND LIGHT, 4WD RELAY, 4WD SHIFT LEVER LIGHT).
