This exploded view diagram illustrates the assembly of a mechanical component, likely a pump or motor. The parts are numbered 1 through 12. The diagram is divided into two main sections by a horizontal dashed line. The upper section shows the main body (9) with a flange (10) and a cover (11) being attached. A bolt (7) is shown passing through the cover and flange, secured by a washer (12). A spring (8) is also shown. The lower section shows the internal components, including a shaft (1) with a pin (2), a spring (6), and a housing (9) with a flange (10). A bolt (5) is shown passing through the housing and flange. A small arrow in the bottom right corner points to the right, labeled 'FWD'.
