CHAPITA ADVERTENCIA Y PRESCRIPTION

FIAT

1

IMPORTANTE:
A melhoria da qualidade do ar deve ser objetivo de todos. Colabore, seguindo corretamente as especificações contidas no manual de uso e manutenção do seu veículo.

2

ATTENZIONE: Dopo il lavaggio, asciugare perfettamente il sistema di iniezione prima di avviare il motore per evitare danni al catalizzatore.

CAUTION: After washing and before starting the engine, dry the ignition system perfectly to avoid damaging the catalyst.

ATENÇÃO: Após a lavagem, seque cuidadosamente o sistema de ignição antes de ligar o motor, para evitar danos ao catalizador.

ATTENTION: Après lavage, on doit sécher parfaitement système d'allumage avant démarrage du moteur pour éviter dommages au convertisseur catalytique.

ACHTUNG: Nach einer Motorsäuche und vor Starten des Motors, Zündanlage gut abtrocknen, um Katalysatorbeschädigung zu vermeiden.

UWAGA: Po umyciu, przed uruchomieniem silnika należy dokładnie osuszyć system zapłonowy, aby uniknąć uszkodzenia katalizatora.

ATENCIÓN: Después del lavado, seque perfectamente el sistema de ignición antes de encender el motor, para evitar daños al catalizador.
